

Introduction to Land Surveying

Nipissing Nation in conjunction with Natural Resources Canada (NRCAN) and Lands Advisory Board (LAB) are offering an Introduction to Land Surveying Program. This training is open to Nipissing Nation community members with priority to Nipissing Nation members.

- **Three and a half day program (Tuesday to Friday)**
- **Held on site at NFN Administration Building**
- **Offers great overview for anyone interested in this field, or considering post-secondary training to become a surveyor**
- **No cost to participate - lunch & refreshments provided**

If you are interested, please contact the Land Office at 705-753-2922 to add your name and contact information to the list on or before:

APRIL 5, 2019 at 4:30 p.m.

When we have determined the number of participants and confirmed dates with the trainer, we will contact you.

Program is not expected to start until the end of April 2019, possibly beginning of May 2019.
