

## PURCHASE OF SERVICES BAND MEMBER OWNED BUSINESSES

### **DIRECTIVE**

NFN departments are required whenever possible to purchase services / supplies from Nipissing First Nation businesses providing that the price and service are comparable and within budget.

When there are same type businesses that provide the same type services / supplies, the Nipissing First Nation department will ensure that all businesses are given equal opportunity to provide the service.

When tenders for services are being requested, NFN businesses will be awarded the contract if their bid price is within 5% of the tender price for contracts over \$50,000.00, and within 10% of the tender price for contracts under \$50,000.00
