Dear Madam:

Re: * v. *
Court File No. *

In relation to our previous phone conversations with regards to the *Nipissing First Nation Matrimonial Real Property Law* and inquiring on mediation, I write this correspondence in order to request for a mediation session between the above noted parties.

As the *Nipissing First Nation Matrimonial Real Property Law, Rule 3* reads that there should be formal notice given to the parties in order to begin the mediation process. Attached hereto, please find the Notice which was sent to *.

In preparation for the next steps, could you kindly provide me the name of mediators and their availability in order to move forward?

I appreciate your assistance and cooperation in this matter, and look forward to hearing from you. Please do not hesitate to contact me should you have any further questions or concerns.

Yours very truly,

Per:
